

**SUMMIT VELO CYCLING TEAM**  
**2006 CATEGORY 4/5**  
**TEAM AGREEMENT**

The purpose of this contract is to establish expectations for Summit Velo racers and promote team unity by having standards for all team members.

Summit Velo's vision is to encourage cycling through the spirit of competition and through reaching out to the community. We want people who are enthusiastic about cycling and want to give back to the cycling community, not necessarily just good racers interested in winning.

Our goal is to have an open door policy for the Cat 4/5 developmental team. We would like to add more value for our club members and provide an opportunity for people who have an interest in getting more involved in racing. The purpose of the Summit Velo 4/5 team is to provide an atmosphere in which developing racers can feel comfortable, without pressure to race. We want people to get involved in the cycling community. In addition, we hope to create a "farm" system for our Cat 3, 2, and 1 teams. This is an incentive for the 4/5's who really want to race and volunteer to help the organization and cycling community at an advanced level.

Please note that in the event that you upgrade to a Cat 3, it does not mean you are automatically sponsored by Summit Velo as a Cat 3. That decision will be weighed based on your community service, your teamwork, as well as funding and may not come into play until the following year.

You are very important to Summit Velo – you will be representing us on the cycling scene and in our community. Summit Velo racers will set the highest standards of sportsmanship and team cooperation within the racing community.

Cat 4/5 Team benefits:

- Flagstaff: Double your Brobuddy Rebate to 10% and 20% for 2005-2006 (issued November 2006) at Absolute Bikes, Flagstaff. (Must qualify for Absolute Bikes Brobuddy Rebate Program as well. See Absolute Bikes for details.)
- Tucson: 15% discount at Sabino Cycles for 2007.
- 1 jersey
- 1 bib short
- 2 pair socks
- You are responsible for the cost of any additional clothing you order.
- \$10.00 discount on entry fees for all Summit Velo promoted races

Cat 4/5 riders must meet the following requirements:

- Pay \$100 team fee to join (includes mandatory \$30.00 club fee.)
- Hold a valid annual USCF license under the name of Summit Velo Cycling Team.
- Volunteer for at least 2 community service events from the list of qualifying Summit Velo activities

- Participate in at least 5 USCF races in the calendar year (no race reimbursement) from the Summit Velo qualifying races list.
- Be an active member of our local cycling community above and beyond agreed upon volunteer hours. For example, participate in group rides, Bide to Work Week, etc. Always wear a helmet while cycling, obey all traffic laws, represent and support our sponsors responsibly!
